I don't usually make time for reviews, but I have to gush about this place. I found a gem! I tried other places - but their prices were higher than this place, and quite frankly, they couldn't touch Old Alabama Shoe Repair guy's perfection. And I mean PERFECTION. My designer bags and shoes are in good hands. AND he does miracles with boots. He fixed my favorite belt, when I thought it was beyond repair - the rejoined part is invisible! PLUS, it's close to Kroger, so it's easy for me to drop stuff off when I go shopping. :)

I love this store! The owner is very friendly and is a very skilled individual. He always makes me feel like a star client - work is completed quickly and looks beautiful. I encourage everyone to take their shoes and handbags here. You won't be disappointed

I dropped off a pair of dress shoes and work boots here a day ago. Today, I picked them up. The owner/operator of the shop took the time to tell me what he did and give me tips on how to extend the life of my shoes and boots. He even did a little extra work for free, because I'd paid up front when I dropped them off and he didn't want to inconvenience or take advantage of me. Wow! Considering that it didn't cost very much to get the repairs and cleaning done, I was amazed. They receive my platinum rating! I recommend them to anyone in the John's Creek/Alpharetta area and beyond.

David, the owner always says, If you like my work, please tell your neighbors. I've referred a few people and they all thanked me. Today I decided to do the favor for EVERYBODY.

Owner is great. Quick turnaround, I have NEVER had a complaint, only compliments for his work. (The MOST reasonable prices around - I don't think he knows the going rate for services around here - a TRUE BARGAIN!!!)

I've been a frequent customer of David's for several years now. During that time, I have only had positive experiences. David is a gentleman and runs a clean, efficient, and professional business. I would recommend Old Alabama Shoe Repair to anyone looking to repair their shoes or simply needing a quality shine. David goes out of his way to be accommodating and is also sensitive to my busy travel schedule.

The Best Shoe Repair

I have also been very pleased with the outstanding work David performs. His work on shoes is impeccable combined with a fair price. I have brought him challenging leather repairs including a Coach purse repair for my wife. Coach stated that it could not be repaired. David repaired it within a day. David and I share a great interest in The Beatles. His walls are covered with some great Beatle posters. David is an honest man who treats his customers very well.
